Print and Mailing Services

*Complete Data Processing Service

MSI can provide the computer processing power to eliminate your in-house system with on-line access from your office and the processing capabilities to meet your needs.

*Customized Forms

MSI can customize your forms to represent your organization with high color and utilize the forms full marketing capability. MSI can also re-arrange your data to be easier to read and get more data on the page.

*Electronic Presort

MSI will electronically sort your current statement and address listing through zip + 4 and postnet barcoding, obtaining optimal Postal Discounts for your company.

*Label or Letter Printing

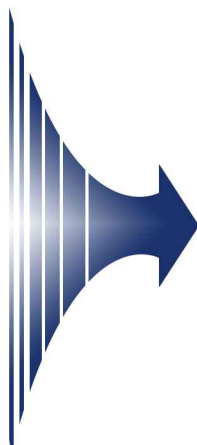

Complete services for Cheshire or pressure sensitive labels in any format. Custom "fill-in" letters or full print may be done. Combined with many other services, your complete label/letter mailing needs can be quickly met.

*Marketing Opportunities

MSI gives you the ability to insert "One to One" marketing messages into your printed documents. Documents are selected by zip code, branch code and other groupings and given a marketing message or graphic that you have selected. The marketing message can also be used in conjunction with our online document presentment services.

- Better Readership
